

Arnold Trail Sportsmen's Association

December 2020 Newsletter

Thanksgiving is behind us which means that winter and Christmas cannot be far behind. The response that we have had for the Christmas giving fund to benefit the Sidney Elementary School students in need and the Sidney Fire and Rescue is quite good so far. Please consider a donation to help the community. Donations may be left in the Xmas Box at the club or mailed to Dennis Klipp, PO Box 239, Belgrade Lakes, ME 04918. The deadline for your contribution is December 15th.

The officers of the club have decided for several reasons to cancel the monthly meetings in January, February and March. The winter meetings are poorly attended and often encounter weather issues. There is also little new business to address during the winter. Members are encouraged to contact either Mike Palumbo at mpalumbo956@yahoo.com or 592-7575 or Dennis Klipp at dtklipp@roadrunner.com or 397-4250 with any questions or issues that need attention. It is very fashionable these days to do things "virtually" and ATSA is jumping on the digital bandwagon for the winter months.

The approach of the New Year 2021 brings up membership renewal time. Dues remain at \$40 for singles and \$60 for a family. The club dues cover the club's fixed costs for property taxes and insurance. The club is in great financial shape and your continued membership contributes to our fiscal health. Thanks in advance for your support. As our Secretary/Treasurer does not shoot during the winter, his presence at the club will be somewhat limited. If you do not catch him at the club, you may mail your dues to him at the above address or to the club's address at PO Box 515, Waterville, ME 04903-0515.

As usual, new lock combinations to our facilities will go into place on February 1st. If you have not signed a recertification form, please do so. Forms are in the file cabinet in the clubhouse.

Merry Christmas & a Happy and Productive New Year!
