# Arnold Trail Sportsmen Association Private Lessons Program

**Description:** ATSA offers private shooting lessons to members that improve skills and confidence in shotgun sports. Sessions include gun safety, body mechanics, shoot planning and fundamentals.

Instructors are coaches and partners in Client's development providing structure, guidance and support. Coaches provide custom-designed exercises, and constructive feedback to advance Client's skills and confidence that ensure promising results.

**Club's Role:** ATSA provides 45-acre facilities set-up for shotgun training that includes:

- Clean Club House with restrooms,
- 20 + trap machines,
- Appropriate wireless transmitters and receivers,
- Variety of standard and specialty targets,
- Competition size trap and skeet fields,
- Provides insurance coverage for Coaches,
- Safety and Club Rules are posted,
- Advertise to members via posting, flyers and emails.

**Coaches Role:** Coaches will make initial contact and interviews with potential Client's to evaluate the Client's goals and determine their best path forward.

Coaches will schedule dates and times to meet at ATSA to avoid conflicts with other Club activities.

Coaches will present a professional attitude and promote Statewide Shotgun Sports.

Clean up behind them self and leave the Club the manner it was found.

Follow all posted Club Rules.

Established price for 2027 is $250 for 1 or 2 students for 2-hour session.
